The Portable Modular System

HOW TO CHOOSE YOUR STAGE...

FROM OUR PACKAGE RANGE

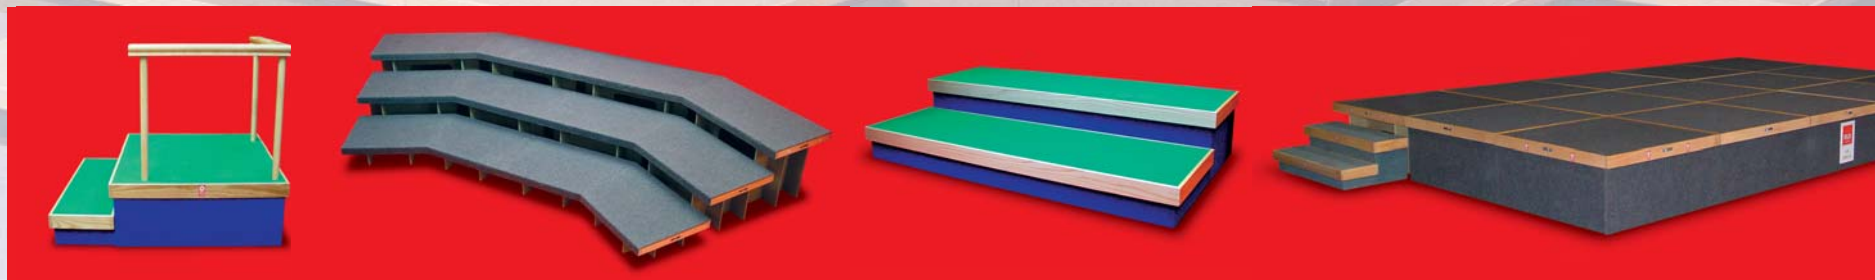

- Step 1** Choose the stage range that meets your requirements - Performance, Primestage or Rainbow.
- Step 2** Measure the area in which your stage will fit and use our stage planner to help get a best staging solution.
- Step 3** Choose a stage package on pages 25 to 30 that best fits your stage area and height requirements.
- Step 4** Decide on any additional accessories such as extra steps, ramps, trolleys. You can even add additional stage tops to make your own design.
- Step 5** Contact our Helpdesk on **01884 255420** to get a quotation.

FROM OUR INDIVIDUAL RANGE

- Step 1** Choose the stage range that meets your requirements - Performance, Primestage or Rainbow.
- Step 2** Measure the area in which your stage will fit and use our stage planner to help get a best staging solution.
- Step 3** Choose the amount of stage tops you require to fit your design.
- Step 4** Decide on the height of your stage and choose the relevant height subframes for each top.
- Step 5** Choose how many décor plinths you will need, normally these are placed on all audience facing sides.
- Step 6** Select any accessories you require such as steps, ramps and trolleys.
- Step 7** Contact our Helpdesk on **01884 255420** to discuss your design and get a quotation.
